

# Developer Registration Application Instruction

NOTICE: This IHEALTH Software End User License Agreement (the “Agreement”) governs your use of all software (“Software”) that you may download, install, or use on your computer, mobile devices or other peripherals, which software may include firmware that will run on hardware manufactured by us (“Hardware”), as well as any updates, patches, fixes and revisions that we provide thereto. By using the Software, you agree to be bound by this Agreement. We may change these terms at any time. The Software is intended to be used with the IHEALTH Service, use of which is subject to the Terms and Conditions.

License. Subject to your compliance with the terms and conditions of this Agreement, IHEALTH LAB, Inc. (“IHEALTH” or “we” or “us”) grant you a limited, non-exclusive and non-transferable license to use the Software on a computer or other device, and to use the firmware on the Hardware manufactured by us for your personal use. In the event you sell or otherwise transfer the Hardware to a third party, such third party must agree to the terms of this Agreement prior to using the Software. Your use of the Software may also require you to use certain services provided by us, the use of which is governed by our Terms of Service (the “IHEALTH Service”). For the avoidance of doubt, Software may include desktop applications, firmware, mobile applications and web applications. We recommend against installing the Software on non-private computers as your private information may be compromised.

Ownership. We and our licensors and/or suppliers, as applicable, retain all right, title and interest to the Software, including all patents, copyrights, trademarks, trade secrets contained therein.

Restrictions. You may not distribute the Software, including by electronic transfer from one computer to another, over a network or otherwise. You may not (i) decompile, reverse engineer or attempt to reconstruct, identify or discover any source code, underlying user interface techniques or algorithms, disassemble, or otherwise reduce the Software to a human perceivable form; (ii) modify, adapt, translate, rent, lease, loan, resell, distribute, or create derivative works based upon the Software; (iii) grant any sublicense, leases or other rights in the Software to any third party; (iv) erase or otherwise attempt to create your own software to use with the Hardware; or (v) take any action that would cause the Software to be placed in the public domain. You agree not to modify any data used by the IHEALTH Service, nor to access data in any format except as provided via the IHEALTH Service. You may not remove the copyright notices or other proprietary legends from the Software.

Warranty Disclaimer: THE SOFTWARE IS PROVIDED “AS IS”, AT YOUR OWN RISK, WITHOUT EXPRESS OR IMPLIED WARRANTY OR CONDITION OF ANY KIND. WE DISCLAIM ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR

**NON-INFRINGEMENT.** We will have no responsibility for any harm to your computer system, loss or corruption of data (including your VITALS), or other harm that results from your use of the Software. We do not warrant that the Software will meet your requirements or that the operation thereof will be uninterrupted or error free. Some states do not allow the types of disclaimers in this paragraph, so they may not apply to you.

**Not Medical Advice.** IHEALTH is not providing medical advice via the Software. The Software is not intended for use in the diagnosis, cure, treatment or prevention of disease.

**Limitation of Liability:** To the fullest extent permitted by law, in no event will IHEALTH LAB, INC., its affiliates, officers, employees, agents, suppliers or licensors be liable for (1) any indirect, special, incidental, punitive, exemplary or consequential damages (including loss of use, data, business or profits), regardless of legal theory, even if we have been warned of the possibility of such damages and even if a remedy fails of its essential purpose; (2) direct damages for all claims arising from this Agreement in an amount greater than \$100. Some states do not allow the types of limitations in this paragraph, so they may not apply to you.

**Use of Data** By using the Services you may upload personal information, such as your name, email, height, weight and age ("Personal Data"), and information contained in the hardware you purchase from us, ("Vitals"). The IHEALTH Service uses the Personal Data and the VITALS to provide you with access to those portions of VITALS that will help you utilize the IHEALTH Service. "Viewable Data" is that portion of the VITALS and Personal Data that has been analyzed by the Services and made available to you for viewing as part of the Services. Our use of Personal Data, VITALS and Viewable Data is outlined in our Privacy Policy.

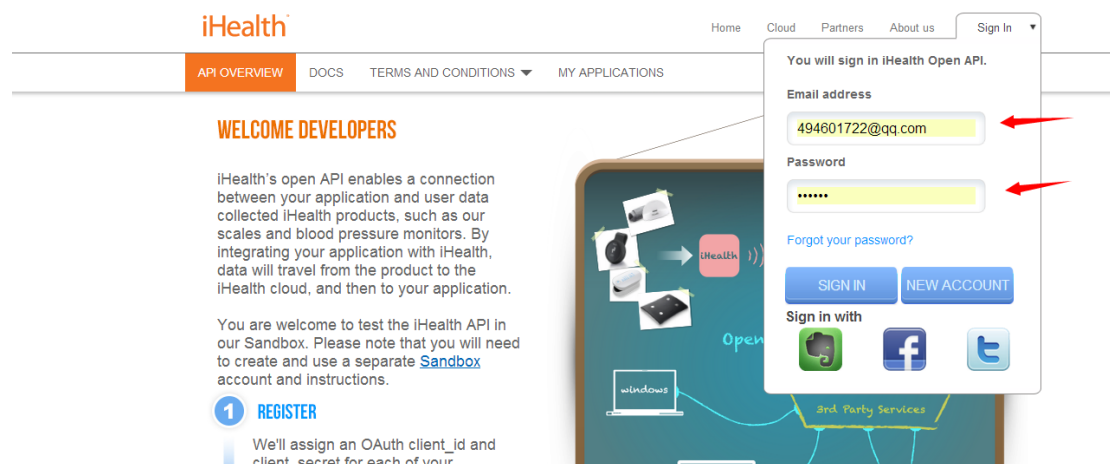

**You May Share Your Data** The Services provide features that allow you to share Viewable Data with others or to make it public. There are many things that users may do with Viewable Data, and Viewable Data may provide intimate personal information about you to the viewer. Please consider carefully what you choose to share or make public. IHEALTH has no responsibility for the portions of the Viewable Data that you elect to share.

**Feedback** We do not grant you any right, title, or interest in the Services or any Content on the Site. We appreciate it when users send us feedback, but please only provide feedback, comments, or suggestions that you agree we may use to provide the Service to you and others.

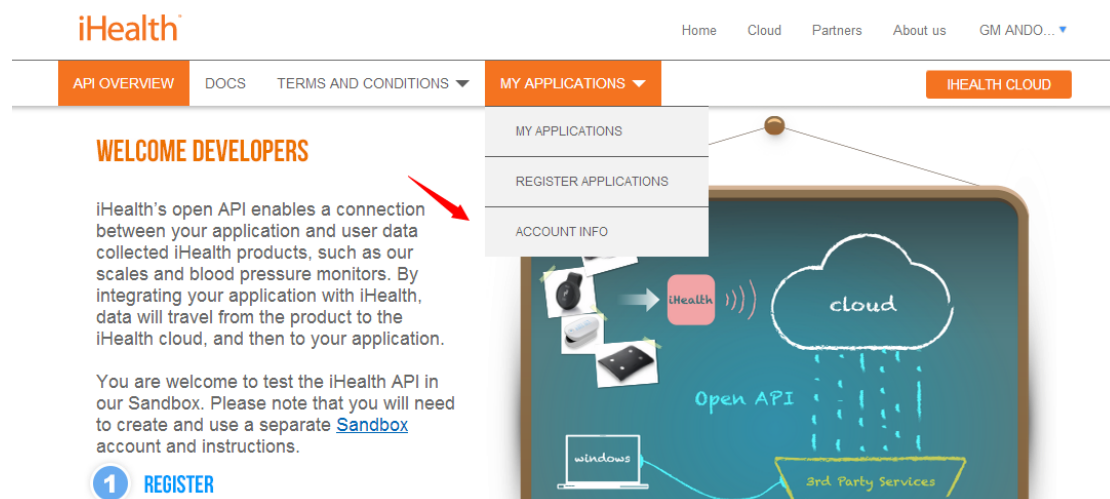

**Miscellaneous Legal Terms.** This Agreement is governed by California law, excluding California's choice-of-law rules. The exclusive venue for any dispute relating to these terms and conditions is San Francisco County California. Both parties consent to the personal jurisdiction of these courts. Nothing in this agreement limits either party's ability to seek equitable relief. This Agreement constitutes the entire and exclusive agreement between you and IHEALTH Science, Inc. with respect to your use of the Software, and supersedes and replaces any other agreements, terms and conditions applicable to the Software. This Agreement creates no third party beneficiary rights. Our failure to enforce a provision is not a waiver of our right to do so later. If a provision is found unenforceable the remaining provisions of the Agreement will remain in full

effect and an enforceable term will be substituted reflecting our intent as closely as possible. You may not assign any of your rights in this Agreement, and any such attempt is void, but we may assign its rights to any of our affiliates or subsidiaries, or to any successor in interest of any business associated with the Software.

1. Open your browser (IE8 and above, Firefox, Chrome, Safari)
2. Go to <http://developer.ihealthlabs.com>
3. Log in with your iHealth account

4. Complete developer info  
go to MY APPLICATIONS -> ACCOUNT INTO

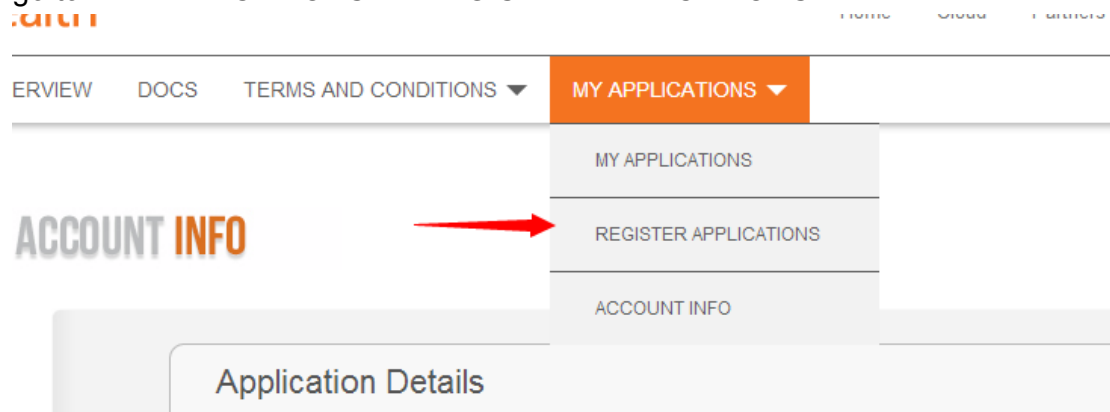

the page is shown below

## 5. Register applications

go to MY APPLICATIONS -> REGISTER APPLICATIONS

Open following page for input basic information of application

## Application Details

|   |  |
|---|--|
| Name  | GM ANDON   |
| Client ID   | b83b1ea89c084206baf9cc2165e2e06f   |
| Client Secret   | 270167fda24a448db844c4db88fde62c   |
| Application Name  | * <input type="text"/>   |
| Application Web Site  | * <input type="text"/>   |
| Categories  | * <input type="text" value="Activity Tracking"/>   |
| Application Icon  | * <input type="text" value="select"/> <input type="button" value="Upload"/><br><div></div> |
| Estimated Date of Publication                               | * <input type="text" value="08/15/2014"/>  |
| What are you business going to do with the iHealth Open API | * <input type="text"/>   |
| Description   | * <input type="text"/>   |

## Integration Data

### Integration Data

- |  |  |
|--|--|
| <input type="checkbox"/> OpenApiActivity | <input type="checkbox"/> OpenApiBG       |
| <input type="checkbox"/> OpenApiBP       | <input type="checkbox"/> OpenApiFood     |
| <input type="checkbox"/> OpenApiSleep    | <input type="checkbox"/> OpenApiSpO2     |
| <input type="checkbox"/> OpenApiSport    | <input type="checkbox"/> OpenApiUserInfo |
| <input type="checkbox"/> OpenApiWeight   |  |

Please make sure your redirect domain is correct

### Integration Details

Redirect Domain

\*

max. 200 characters

Authorization Removal  
Callback URL

\*

max. 200 characters

Redirect Domain, supports sub-domains

Callback URL, just for the record, not used during oauth

Integration method

### Integration Method

☐ Pull Model

3rd party partner connects to iHealth Open APIs to get relevant information  
3rd party partner using OAuth 2.0 to get user user authorization  
This approach requires 3rd party to do technology developement according to  
iHealth Open APIs introduction

☐ Push Model

iHealth push data to 3rd party server.  
3rd party partner using OAuth 2.0 to get user authorization

☒ IOS SDK Model

IOS SDK server

☐ Android SDK Model

Android SDK server

### IOS SDK

Download SDK

Select which method you would like to use:

Pull model

Push Model

iOSSDK, click on "IOS SDK" if applying for IOSSDK functions

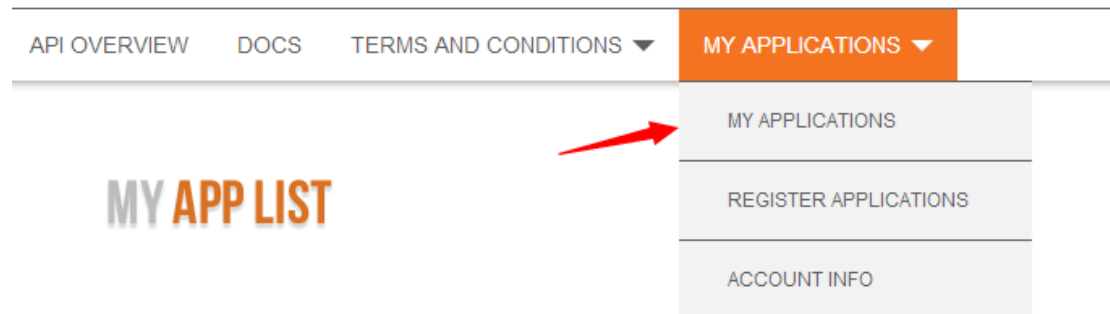

Android SDK

Click for saving and finishing the registration process.

## 6.Application list

go to MY APPLICATIONS -> MY APPLICATIONS

The page is shown below:

| APP NAME  | ESTIMATED DATE OF PUBLICATION | STATE         |   |
|-----------|-------------------------------|---------------|---|
| test111   | 2014-08-15                    | Not Audit     | <a href="#">View</a> <a href="#">Edit</a> |
| test002   | 2013-11-28                    | Apply New API | <a href="#">View</a> <a href="#">Edit</a> |
| AndonTest | 2013-11-19                    | Active        | <a href="#">View</a> <a href="#">Edit</a> |

Active means authorized

Not Audit means unauthorized

Apply New API, new app edits are under review
